

INSTITUTE OF LIFE SCIENCES
(An Autonomous Institute under the Dept. of Biotechnology, Ministry of
Science & Technology, Govt. of India)
NALCO Square, Bhubaneswar 751023, India

Advt. No. 08/2022

Date: 16.02.2022

Institute of Life Sciences (ILS), Bhubaneswar, an autonomous institute of the Department of Biotechnology, Ministry of Science & Technology, Government of India invites applications from Indian Nationals to join in the following position.

Name of position: Research Associate (01 position)

Project: Bioactive Bhubaneswar Biophysical Characterization Facility.

Job Specification: To carry out structural and biophysical analyses of proteins involved in infectious diseases, cancer, and plant biology.

Fellowship: Rs. 47000/- per month + @16% HRA

Eligibility & Selection:

Ph. D. in Biotechnology/Life Sciences or any of the allied subjects. An ideal candidate will be competent in biophysical characterization of macromolecules and protein crystallography, as required for the project. Experience working with an in-house X-ray diffractometer and/or analytical ultra-centrifuge will be advantageous for this position. First-author publication(s) in the field of structural biology is expected. Candidates who have submitted Ph.D. thesis and are waiting for defense/viva voce may also apply. But for such candidates, the fellowship amount will be that of an SRF until he/she defends the thesis. Selection will be carried out through application screening, followed by an interview process.

The position is initially for one year and could be extended upon satisfactory performance.

Interested/eligible candidates may download application form from the institute website (www.ils.res.in) and apply along with self-attested copies of mark sheets and certificates, as well as copies of publications and Ph. D. thesis synopsis to "The Director, Institute of Life Sciences, Nalco Square, Bhubaneswar-751023". Superscribe the envelope with "Advt. No. 08/2022; Application for the position of Research Associate – Bioactive Bhubaneswar Biophysical Characterization Facility". Incomplete applications and applications without the above-mentioned documents will be rejected.

No TA/DA will be paid for attending the interview. The decision of the institute Director regarding the selection of the candidate will be final and no further correspondence will be entertained in this regard.

Last date for receiving application: 15/March/2022

Date of display of shortlisted candidates: 18/March/2022

Date & time of interview: Will be notified in the website

Note: All communication will be through e-mail. No separate call letter will be issued to the candidates.

Administrative Officer
